

BCNET Student Poster Competition

new ideas
for shared
solutions

Application Deadline: April 02, 2010

Showcase your work at the
BCNET/CANARIE 2010 Conference

Visit <http://bc.net/2010-conference/> for more information!

BCNET will award student posters showcasing technology applications that depend on networks.

If your abstract submission is selected, your poster will be displayed at our national conference to over 400 academic delegates.

You will also receive a free conference pass for the two-day event.
